

About Us

The Frontier, founded by UEE veterans in Charon 3's Dellin region, is a community dedicated to resilience, independence, and prosperity. We excel in combat and industrial innovation, valuing mutual support, trust, and diverse perspectives. Committed to minimal government interference, our goal is to foster a thriving environment that nurtures personal and collective growth.

History

Having chosen the path of independence, The Frontier stands as a testament to the unwavering spirit of those who yearn for freedom and self-determination. Faced with relentless attacks from Vanduul and other adversaries, our resilient members have forged a close-knit community, relying on their resourcefulness and courage to safeguard their existence.

Vision

The Frontier envisions a resilient, self-sufficient community in Charon 3's Dellin region, emphasizing independence, combat excellence, and industrial growth. Upholding mutual support, trust, and diverse opinions, we aim for a prosperous environment with minimal central government interference, focusing on collective well-being and personal growth.
